

Why Global!

The Industry Knowledge Leader

- **Industry Focus:** For over 30 years, Global Drilling Suppliers and its leadership have developed an expertise by operating solely within the drilling industry.
- **Expert Knowledge:** Drilling is an art as much as it is a science, which is why Global Drilling Suppliers is equipped with industry and product knowledge to understand each customer's specific situation and answer any question.
- **Design & Manufacturer Capabilities:** At Global Drilling Suppliers, market-approved and customer protective manhole and well covers are locally designed and manufactured with various fits and finishes.

Delivering Unsurpassed Service

- **Customer Commitment:** Through its consultative approach, Global Drilling Suppliers is committed to being a one-stop shop by delivering efficient and effective drilling solutions to its customers.
- **Customer Responsiveness:** Not only is Global Drilling Suppliers committed to immediately connect with inbound callers and provide quotes as soon as possible but it is also logistically capable of delivering the right product to the right place at the right time.
- **Building the Relationship:** Global Drilling Suppliers fosters an environment where all employees are capable of completing a task. This helps ensure there is an ongoing dialogue between Global and its prospects/customers to create a strong understanding of one another.

Your Trusted Partner

- **Cost-Effective Solutions:** Over time, customers find Global Drilling Suppliers is the lowest cost vendor in the drilling industry because it offers cost-effective solutions up front and helps customers become more profitable.
- **Long-Term Commitment:** At Global Drilling Suppliers, our personnel strives to develop a long-term relationship with clients by customizing solutions to fit each individual situation. This approach continues to be supported by our 98% client retention rate.
- **Creating Value:** From generating quotes to offering after-sale follow-up support, Global Drilling Suppliers provides value in every prospect and customer interaction.

Here Are Some Of The Products We Offer

We have nearly any type of environmental, remediation, or water well product for the following industries:

- **Environmental/Monitoring**
- **Core Drilling/Mineral Exploration**
- **Sonic Drilling**
- **Direct Push/Probe**
- **Geotechnical/Sampling**
- **Foundation & Construction**

- **Hard Rock/Blast Hole**
- **Horizontal/Directional**
- **Industrial/Pond Sealing**
- **Water Well**
- **Remediation**

Augers

Hollow Stem
Solid (Flight)
Construction Type
All Drive Types
Custom Augers

Auger Accessories

Cutterheads
Drive Caps
Replacement Teeth
Repair parts
Extensions
Center Plugs & Bits

Ballers

White PVC
Clear PVC
Disposable HDPE
Disposable PVC
Stainless Steel
Teflon

Bits

Rotary
Drag Rotary
Reverse Circulation
Concrete Cutting
Holeopeners
Mill Tooth
Tungsten Carbide
Insert
Open or Sealed
